

Hello everyone,

For the 2nd. year in a row I am spearheading the Cornell College of Veterinary Medicine K9 Cancer Research Foundation Shoot at Mid Hudson Sporting Clay's on July 31st. 2022. In 6 weeks last year, with the help of both Hudson Valley and Rock Tavern NAVHDA clubs we raised over \$34,000 to help fight Cancer in the dogs we love. Having lost my entire family to Cancer, Mom, Dad, and Sister, and now having two dogs that are like my kids with Cancer, this shoot is very special to me. It hits so close to home.....so I invite all of you to set that date aside, come and join us if you can, and if you can or know of someone that would like to take out a sponsorship for out shoot I would be glad to speak to them. Last year we raffled and auctioned over \$25,000 in items, and this year looks to be better than the last. One of the things I wanted in this effort was to keep the cost reasonable, and give the shooters who are supporting us the best day ever, and provide food, raffles, auction items, and oh yes targets, that are the best of any shoot you will attend this year.

So please put this date aside and mark it on your calendar. You can register to shoot through Score Chaser, or at the website on the flyer. If you or someone you know would like to make a donation or be a shoot sponsor, please let me know. The sponsorships help us keep our shoot price low but the quality of what we offer to our shooter high. The generosity of the sporting community keeps blowing me away, and what I saw left me in tears when we finally tallied up all the numbers last year. We started thinking we could raise \$10,000 on a good day.....we raised \$34,000+. Thank you again.....and hope to see you on the course very soon
