

The 2022 David Wohlbach Memorial Hunt is September 24th, at Lafayetteville. The hunt could be a rousing success if EACH club recruited just ONE youth hunter (12 - 15-years of age) and got him/her registered NOW. As they say on T.V.,, **IT'S FREE**, only this really is, **FREE!**

Late registration makes planning all the more difficult. It frustrates the guy in charge of the hunt (Anthony Pittore). and subjects me to unrelenting abuse from the guy in charge.

If you don't have a son or daughter, maybe you have a grandchild, niece, nephew, friend's kid, or neighbor's kid, that you could recruit.

Please circulate this note to your clubs, mail lists and actively work at finding at least one youngster to experience a great hunt. And remember, IT'S FREE,,,,, not just the hunt,, but the food, soda, water, and "T" shirts memorializing the hunt.

**Call Anthony Pittore for details and registration forms at: 914-755-9667 or email him at: [anthonyp2107@msn.com](mailto:anthonyp2107@msn.com)**
