

CRUM ELBOW SPORTSMEN ASSOCIATION

BEGINNERS SKEET CLASS

- **Description:** Have you ever wanted to try skeet but don't know where to start? Shot a long time in the past and need a refresher? Well don't fret as this class is designed for you. There will be class room instruction about the sport describing the firearms used, course layout, round rules, scoring and all important safety surrounding the activity. After a classroom session, we will go out on the field and learn how to set up the throwers and get station by station instruction on the techniques to score a hit.
