Membership is renewed every August when dues are collected for the next 12 months. All regular members must complete ten (10) work hours by July 15th or pay \$20/hr. Members must pay for their dues, tickets, and unworked hours by the September meeting or are subject to an additional \$20 late fee by the October meeting. If payments are not received by October then the member is dropped from the active rolls and must re-apply for membership and pay the initiation fee again.

**NOTE: As of March 2018 new members are no longer required to "pre-pay" work hours. The work hours requirement has not been eliminated, it has been changed. Any new member who does not complete their pro-rated work hours will be billed for unworked hours the following August. Work hours are worth \$20/hour, worked in increments of either ½ hour or full hours. Work hours do not carry over to following years if you work more than 10, and can not be borrowed or bought from other members.

**NOTE: As of March 2020, the initiation fee was raised from \$180 to \$200.]
