**\*\*NOTE:** Members who join at the July meeting pay their next year's dues and tickets of \$240, so \$445 is usually collected.

Membership is renewed every August when dues are billed for the next 12 month period. All regular members must complete ten (10) work hours by the following July 15<sup>th</sup>. Members must pay for their dues, tickets, and unworked hours by the August meeting or are subject to a 10% surcharge of dues (\$20) payable by the September meeting. If payments are not received by the September meeting then the member is dropped from the active rolls and must re-apply for membership.

**\*\*NOTE:** While we do not require members to prepay work hours since March of 2018, the pro-rated work hour fees are listed so that any member joining can see how much they will be billed if they do not work their pro-rated # of hours. Work hours are worth \$15/hour, and can be worked in increments of either ½ hours or full hours.
